

KMA Series

Karaoke Mixing Amplifier

KMA-1080

KMA-980

This pair of top quality karaoke amps benefit from Yamaha's long audio experience to deliver clear, sweet sound that is ideal for singers' voices. No worries about distortion of howling, and they feature great Echo Modes.

High Power, High Sound Quality

- Yamaha EEEngine amplifier technology provides high power and sound quality, with low power consumption
- High output power of 200W x 2 (KMA-1080) and 150W x 2 (KMA-980)
- Yamaha Howling Canceller uses digital sound processing to minimize howling while retaining natural sound quality
- Normal, Wide and Spacious Echo Modes (REV100 Karaoke Echo) make every singer sound like a pro!
- Music Out preouts for high quality 4-channel use

Active Howling Canceller

- Annoying howling sounds are a thing of the past, thanks to Yamaha's Active Howling Canceller. It automatically limits howling without affecting the vocals, so is convenient and improves sound quality.

User-Friendly Design

- Four large rotary-encoder knobs with LEDs on volume knob
- Convenient inputs (KMA-1080: 5 mic/4 audio/3 video; KMA-980: 4 mic/3 audio/2 video)
